FOR IMMEDIATE RELEASE

Local Law Firm to Offer New Employment Opportunities

Zanes Law Introduces New Office in Tucson

TUCSON, Ariz., Oct. 27, 2008—The professionals at Tucson-based Zanes Law recently opened the doors of their new office location and are now welcoming the opportunity to expand their legal team.

“Properly representing clients takes a high level of expertise coupled with the ability to provide excellent customer service. The ability to do both successfully requires a sufficient number of employees to address client needs in a timely manner,” said Doug Zanes, Attorney and Co-Founder of the firm. “While we currently had enough office space to do both, we now have the resources to add new members to our team, which in turn will allow us to better help our clients.”

Claudia Zanes, General Manager of the firm, says she is looking forward to having the additional space to grow the firm. “Because of the growth of our firm, we are now able to offer jobs for experienced professionals in our area. Considering the country’s current economic situation, we want to do all we can to help our friends and neighbors by providing local employment opportunities.”

The firm is looking to add attorneys, paralegals, legal assistants, and members to its solid executive team—including an office manager, an assistant marketing director, accounting personnel, and human resources staff members.

Located at 4580 E. Grant Road in Tucson, the new office is slated to have its grand opening celebration on Friday, November 7. Members of the community are invited to attend the opening and enjoy cocktails and hors d’ourves and meet husband-and-wife team Doug and Claudia Zanes, owners of the firm, in addition to the rest of the firm’s seven staff members. **The open house is from 5 p.m. to 8 p.m. with a ribbon cutting ceremony at 6 p.m. Guests are asked to RSVP by Friday, October 31 by calling (520) 881-9311 ext. 110.**

The former Zanes Law office was located 5205 East Pima Street in Tucson (about two miles from the new location). The firm decided to remain in central Tucson because this location is convenient for the majority of the firm’s clients.
